

**Message from the
Officers and Board of
Directors:**

We invite you to join us for an exciting lineup of physicians for our upcoming workshop! During this workshop, we will also be conducting elections for President, Vice President, Treasurer and 2 Board of Director positions.

Since our last meeting in Wichita, the Kansas Assembly has continued to pursue legislation for CSTs in Kansas and the NBSTSA has made some changes to the CST exam that we'd like to go over with you!

Please join us and earn CEUs, and consider running for a position as a Board Member—which helps further the profession of surgical technology in Kansas!

Thank you for your continued dedication to the profession of surgical technology and for everything you do for your patients on a daily basis. We hope to see you on March 2nd!
